# 「人形コンビ」

the wax doll duo

so  
mean,  
Mitt-  
chan

using  
me  
as a  
cushion  
in the  
hot  
springs

even-  
though  
we were  
so close  
during  
elementary  
school

real Fukushima Mitsuko

for  
protecting  
**Mitsuko  
sensei**

thank  
you  
very  
much

those  
words that  
yells out  
you didn't  
read the  
atmosphere  
is a bit...

ahh.. umm  
I'm really grateful  
for your words  
but that is com-  
pletely impossible  
because I have no  
plans to do such  
thing, and how  
should I  
say this  
.....

note: anpan= bread roll filled with red bean paste

with that  
level of  
will power,  
I can't  
look over  
your  
employment

you'll  
be used  
for a  
cannon  
ball  
right  
away

eeeh!?  
you'll even  
take care of  
employment,  
Kiryuu-kun?

we  
have  
to kill  
him

impossible  
I can't exist  
in the same  
space as  
this guy

you might  
have a  
short life,  
but  
you won't  
be short  
in women!

yeah  
you guys  
wanting  
join the  
yakuza  
too?

GYA  
HAHA  
HAHA

WAA  
AAA  
AAA  
!!!!

we still  
have  
one  
more  
night

stab stab

stab

stab

to-  
night  
we will  
frame  
Kamiya  
.....

GYA  
HA  
HA

morning  
erection?  
you guys  
must  
still be  
plenty  
healthy

huh?  
these  
guys  
have  
their  
penis  
standin

O..  
Ootama-  
kun,  
Higuchi-  
kun

I won't  
do it  
anymore  
—

please  
stop  
—

WE'LL BE  
CUTTING  
BOTH YOUR  
ARMS AND  
LEGS SLOWLY  
FROM THE  
TIP OF THE  
FINGERS  
WITH THIS  
SAW FOR  
YOU!!

SHUT UP!!  
YOU ARE  
THE ONE  
PERSON I'LL  
NEVER  
FORGIVE  
!!!

this is  
torture,  
torture!

shut up!  
as if that  
kind of lie  
will go  
through!

I promise  
to never  
say a word  
about this  
to my old  
man, so  
---

UGEH

cough  
cough

for a liar  
like you, a  
punishment  
of swallowing  
1000 needles  
is fitting!

OI  
SWAL-  
LOW  
THESE  
NEE-  
DLES

OI LET'S TRY  
INSERTING  
A LIVE  
COCKROACH  
IN HIS  
ASSHOLE!

my  
throat!  
my  
throat!

my  
throat!  
my  
throat!

HIHIHIHI  
NEXT WE'LL  
MAKE YOU  
SIT ON  
SPIKES,  
DROWN IN  
WATER, AND  
FRY YOUR  
EYES!

e....  
endure  
it, we'll do  
it tonight!  
the murder  
will be  
carried  
out  
tonight!!

here  
here  
let's take  
it to-  
gather

wax  
doll-  
saan  
face  
this  
way

these wax dolls are...

from near the end of Edo  
period, during 1778 until  
ninety years later the

GYA  
HA  
HA  
HA  
HA

in his  
mouth  
too!

GYA  
HA  
HA  
HA  
HA

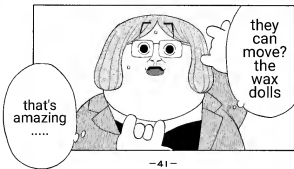

I  
wonder  
...

looks like  
budo  
10-dan  
fatass  
teacher  
already  
noticed  
everything

that's  
amazing  
.....

they  
can  
move?  
the  
wax  
dolls

note:  
the sign  
originally  
said "don't  
doodle"  
but by  
changing  
one Kanji  
it was  
changed  
to  
exposure  
bath

just  
as I  
thought

and she'll  
probably  
take it  
off so it  
won't  
rust in the  
hot springs

清掃中

I was  
thinking  
that she  
would be  
going in  
the baths  
last after  
everyone  
else

this is  
Kamiya,  
who has  
a blade  
for a  
hand

sign: in the middle of cleaning

okay,  
let's  
go!

well  
yeah

dude  
you really  
must've  
been smart  
during  
elementary

steal  
that girl's  
blade,  
then go  
kill  
Kiryu  
in one  
swoop

oh yeah  
it's a  
fine  
murder  
plan

yeah

whatever  
happens,  
we'll  
always  
be friends

this  
made me  
laugh for  
some reason

Higuchi has  
eyebrows,  
shaved hair,  
and a goatee

+

Ootomo has  
no eyebrows,  
normal hair,  
and sideburns
